Dear Wayne

Appreciation

I would like to express my appreciation to you for your generosity and sponsorship to **Joon No's Taekwondo** for the 7th World Junior Championships in Izmir, Turkey.

Through your sponsorship, the personal costs of our competitors have been made easier to bear.

With three of our competitors making it to the team to represent Australia, this places **Joon No's Taekwondo** top with the highest number of participants in this International event. We look forward to a great success at the 7th World Junior Championships.

On behalf of our competitors, thank you once again, for your continued support.

Yours truly,

Grandmaster Joon No
